My dear Srinivasa Iyer.

The Financial Branch of the Secretariat has been opened, and as already suggested to His Highness in regard to of 19. 2. 04 Mr. Krishna Rao has been appointed. Hope submitting his name for the formal sanction of His Highness. Beg to request the favour of your opinion. I

Dear Sir, 11/5/04

Under present circumstances, Mr. M. N. Bakhale has a bright future before him where he is in the Controller's Office: & I am not therefore sure that he would either like subscribing public interests or doing him a good turn by permanently detaching him from where he is and putting him into the Secretariat. He is certainly a competent officer but all consideration point to the desirability of his transfer to the Secretariat being made temporary and of this arrangement being put an end to until the vacant place of Controller is satisfactorily filled up. Yours very sincerely

since they passed the prescribed Account Examinations.

2. Under the reforms about to be introduced, the status of a comptroller is not merely that of an Account officer. He is constituted virtually a Financial adviser to the Government. In view of training up men well grounded in Accounts for the post of the comptroller, provision ought to ne made to enable them to earn sufficient experience in administrative finance. The post of an Assistant Secretary for financial matters would decidedly supply such a training ground.

3. Moreover, a temporary appointment raises difficulties in connection with the grade 300-40-500 to which Mr Krishna Rau would become entitiled since he is not an Assistant Commissioner.

4. In these circumstances, His Highness may be pleased to accord sanction to the permanent appointment of Mr M.N.Krishna Rau as Assistant Secretary, Financial matters, on 300-40-500.

Submitted to His Highness.

The immediate formation of the Financial Branch being desirable, the appointment of Mr M.N.Krishna Rau,B.A. Assistant Comptroller, as Assistant Secretary to Government in Financial matters, has to be formally approved by His Highness. In para 3 of my Note, dated 19th February 1904, I submitted his name which has met with His Highness' general approval. The proposal is agreeable to the Councillors, though the First Councillor alone thinks that the appointment should be temporary. He doubts whether this would be beneficial to the interests of Mr Krishna Rau himself, though he would be entitled to a distinctly better grade viz 300-40-500 as Assistant Secretary. Since the post of the Comptroller will have to be shortly filled up, it appears to him that Mr Krishna Rau should not be taken away from the Account Department. It is settled that a competent Comptroller should be got from outside; while there will be three well qualified Assistants besides Mr Krishna Rau to help him in the comptroller's office. We have very recently appointed two account Probationers as Assistant Comptrollers since
